Cooking Bus

We are delighted to announce that the Focus on Food Cooking Bus will be joining us next week. We have been on a reserve list for quite some time and are very lucky to be chosen. The Focus on Food Team received a cancellation from a school in London & therefore we will receive the same programme that they planned. The food preparation is rather advanced and will be for Y5 & Y6 children. However, we hope to take all the children on the Bus at some point during the week to experience the wonderful resource. The Bus will be positioned on the school grounds near the railings and staff car park. Please be extra vigilant when walking on our school grounds before and after school. Please send a named plastic box to school with your child to ensure they can bring their cooking room produce home safely and hygienically (Y5 & Y6 children).

PE Kits

Please can we ask all parents to check your child's PE Kit each week as we have a number of whole kits missing at the moment. Thank you.
