Facebook

We have had an incident this week of children saying unkind things about other children using Facebook. It is my understanding that children under the age of 14 are not permitted to use Facebook so no children from our school should be online. I do urge all parents to keep all children safe by monitoring internet use at home. Although these issues take place outside school time they have repercussions in school and it is my responsibility to make sure our children are safe at all times.

Cooking Room

Next week we will be returning to the cooking room to make fruit crumbles with an alternative topping or fruit base. In order for your child to bring their creations home safely please send them to school with a named plastic box. Many thanks.

Water Bottles

We are very happy for children to bring water bottles to school, especially with the warmer weather approaching. Please ensure your child's bottle is filled with water only. Thank you for your cooperation.
