Child Well Being

Your child's well being and happiness is of the utmost importance to us at Horbury Primary School. We have a Well Being Group in school, led by Miss Warne. We can help to support you and your child during any of life's challenging times, such as, family breakdown, divorce, bereavement, health problems and so on. Please do not hesitate to make an appointment to meet Miss Warne or telephone school for a chat with her so we can ensure the correct support is put in place.

Cooking

Next week we start our cooking lessons again and the children will be making salads. If you would like your child to bring home a sample of their salad please send them to school with a plastic box. Unfortunately, without a box children will not be able to take their food home. Please may we also ask that you adhere to the following rules –

- all nail varnish must be removed
- closed toe shoes must be worn
- hair that can be tied back, must be.

Thank You

To Mary Nell Murphy for donation of books to the library.

St George's Healthy Living Centre

There are after school activities such as break-dance, boxing and circus skills being organised at St George's Lupset. If your child is interested in attending please call Tracy Scholey on 01924 330264.

Children's Eye Health

We have been asked to encourage parents to arrange for a free NHS eye sight test with an Optician. Poor eye sight can have a significant effect on children's ability to learn and on their behaviour. Also, many childhood eye conditions such as lazy eye and squint can be treated if they are picked up early. Toddlers and young children do have to be able to read. For further information visit
