24th April 2009

Year 6 Residential Next week year 6 will be on their annual extended visit to the Lake District. We are all hoping for sunny weather!

Breakfast Club From next week no money should be paid in at Breakfast Club in the morning. Instead, please send the money in an envelope with the following information.

Breakfast Club

Name of child

Amount of money enclosed

Days the child is attending breakfast club.

The envelope should be handed in to the class teacher on **Monday morning**. Please send in the whole weeks money on Monday. Any change owed will then be sent home on a Monday. It still costs £2 per day and you can pay by cash or cheques made payable to WMDC (please write your child's name and class on the back of the cheque). Children must be signed in at the door by an adult.

Lost Property Please would you ensure that your child's clothes are named. We are unable to return the clothes to children when we cannot see who they belong to. We also have a selection of small items in the office, such as costume jewellery, children's spectacles and a black ladies jacket that was in the front garden from last half term. We will have to dispose of these items if they are not reclaimed in the near future.

Dinner Money If you would like to pay dinner money for the rest of this half term, it will be £25.20 (for year 1 children going on the Skipton Castle trip it will be £23.80). Please make cheques payable to WMDC and mark your child's name on the back of the cheque.

Race For Life Natalie Jackson in our office will be taking part in the Cancer Research Race for Life in July with her daughter. If anyone would like to sponsor them for their efforts, please call in at the office or go on line, any amount would be appreciated! Natalie also has details if anyone would like to participate themselves. Many thanks for your support.

Book Fair The book fair will be in school, both before and after, on Monday (this will be that last day).

Bird Box We have installed a camera in a bird box in our woodland area. Last week a bluetit started to next and up to now 8 eggs have been laid. The monitor is outside Mr Ware's classroom so that children can view what is happening.

Sports Day & Picnic Both in the morning, KS1 13th July & KS2 14th July.

Healthy Lunchbox Launch As a 'Healthy School' the Governors have adopted a new Healthy Lunchbox policy. Next week, we will be sending home an information flier to help families plan the content of a Healthy Lunchbox.

This is an exciting venture for us. The children are learning about healthy eating in their cooking room lessons and are enjoying cooking and eating a range of healthy foods.

The new lunchbox policy reinforces this message and also mirrors the Governors food-based and nutrient based standards for school lunches.

To support Healthy Lunchboxes, we have Karen McGuire from the NHS community food team who will be available for help, ideas and inspiration on what to pack in a healthy lunchbox on Friday, 8th May, before and after our Achievement Assembly. She will leave information and ideas with us in school which we will display, so that you can drop in at any time to access the information.

Achievement Awards

0L	Sophia Carter & Tamzin Shahadat
0M	Taylor Carter & Bethan Elsworth
1D	Kalie Hall & Oscar Richford
1T	Joel Petts & Alisha Thompson
2M	Mathew Bell & Joe Dunford
